

Bachelor of Applied Science

Psychology OP701026

It is a good idea to plan your study programme before you start.

This programme has 18 courses of 20 credits each. If you need help or have any questions, contact us. We recommend that you complete as many of the level 5 courses as you can before starting the level 6 courses. Ensure that you have completed any necessary prerequisite courses before staircasing into level 6 and level 7 courses.

Compulsory Courses

We recommend:

- 72140 and 72142 as your first courses.

You can complete a maximum of 160 credits at level 5

72140 Business Communication Level 5

72142 Accessing Information Level 5

72160 Statistical Analysis Level 5

73213 Research Methods and Interpretation Level 6

73196 Social and Individual Psychology Level 5

73195 General and Applied Psychology Level 5

73329 Research Methods and Analysis Level 7
