

How to log in and set up your security questions

1

On the log in page www.openpolytechnic.ac.nz/login enter your new username, which uses the format **FirstnameLastname@myop.ac.nz**, and click 'Next'.

Welcome, log in to My Open Polytechnic, your student portal.

Log in with your username, which is your Open Polytechnic student email address. For example: FirstnameLastname@myop.ac.nz.

Note: Your log in username is no longer your student ID number. Learn more about this and other changes:

→ System upgrade and login changes information

You'll see a screen where you need to choose three questions, one from each of the drop downs, and enter your answers in the field below each one.

don't lose access to your account!

Please select questions to answer below. Your admin requires you to set up 3 questions, and answers must be at least 3 characters long.

Security question 1
What was the name of your first school?
wellington

Security question 2
What was the name of your second pet?
dinedin

Security question 3
What was the name of the hospital where you were born?
christchurch

The next time you log in you will go directly to My Open Polytechnic after step 2.

From there you can access your online courses.

6

Once you've completed all three questions, click the 'Save answers' button.

7

You'll see a confirmation screen. Click 'Finish' to go to My Open Polytechnic.

8

Click on the link to your course. Then click on 'Sign in with My Open Polytechnic'.
