

Fast-track to success with our Bachelor of Business Pathway Programme

If you've graduated with NC5121 New Zealand Diploma in Business (Level 6), you have the opportunity to fast track to a Bachelor of Business through our Advanced Standing Pathway programme.

NC5121 New Zealand
Diploma in Business
(Level 6)

Bachelor
of Business

What do I need to do first?

Firstly you need to have completed the specific New Zealand Diploma in Business courses in the table below. If you have not completed any of the following courses you can still apply for this programme and complete the corresponding Bachelor of Business course shown in the table below.

If you need assistance, please give us a call, we're here to help.

NC5121 New Zealand Diploma in Business (Level 6) course		Bachelor of Business course	
400/500	Accounting Principles	71100	Accounting
510	Introduction to Commercial Law	71110	Introduction to Commercial Law
520	The Economic Environment	71120	The Economic Environment
530	Organisations and Management	71130	Organisations and Management

560	Business Communication	72140	Business Communication
430	Statistics and Financial Mathematics for Business	72160	Statistical Analysis

*71155 Business Computing has replaced 71150 Information Systems. Either course may be used for completion of this programme.

Then what do I need to do?

To complete a Bachelor of Business under the Advanced Standing Pathway programme you will need to choose a major and complete the following courses listed under the major you select.

 Accounting (Seven courses):
71203 Business Ethics
71204 Accounting Information Systems
71245 Organisational Behaviour
71301 Advanced Financial Accounting
71302 Advanced Management Accounting
71305 Auditing
71306 Taxation

If you have not completed 501 Accounting Practices, 601 Financial Accounting and 602 Management Accounting under the New Zealand Diploma in Business you need to complete the relevant Bachelor of Business course.

If you wish to satisfy CA requirements for Chartered Accountants Australia and New Zealand membership, you must also complete 71210 Corporate and Finance Law and 71205 Business Finance (if you did not complete 603 Business Finance in your New Zealand Diploma in Business).

 Management (Six courses):
71203 Business Ethics
71245 Organisational Behaviour
71340 Strategic Management

Plus three of:
71331 Marketing Management
71332 Quality Management
71333 Strategic Human Resource Applications
71338 Managing Change
71342 Strategic Human Resource Development
71353 Project Management

If you have not completed 541 Fundamentals of Marketing, 633 Human Resource Management and two of the following: 630 Leadership, 632 Operations Management or 636 Applied Management under the New Zealand Diploma in Business, you need to complete the relevant Bachelor of Business course.

 Human Resource Management (Seven courses):
71203 Business Ethics
71224 Employment Law
71245 Organisational Behaviour
71333 Strategic Human Resource Applications
71338 Managing Change
71340 Strategic Management
71342 Strategic Human Resources Development

If you have not completed 541 Fundamentals of Marketing, 633 Human Resource Management and 635 Employment Relations under the New Zealand Diploma in Business you need to complete the relevant Bachelor of Business course.

Accounting and Management double major (Nine courses):

71203	Business Ethics
71204	Accounting Information Systems
71245	Organisational Behaviour
71301	Advanced Financial Accounting
71340	Strategic Management

Plus two of:

71302	Advanced Management Accounting
71305	Auditing
71306	Taxation

Plus two of:

71331	Marketing Management
71332	Quality Management
71333	Strategic Human Resource Applications
71338	Managing Change
71353	Project Management

If you have not completed 501 Accounting Practices, 541 Fundamentals of Marketing, 601 Financial Accounting, 602 Management Accounting and 633 Human Resource Management under the New Zealand Diploma in Business you need to complete the relevant Bachelor of Business course.

Unspecified major:

71203	Business Ethics
71245	Organisational Behaviour

Plus four of the following:

71301*	Advanced Financial Accounting
71302*	Advanced Management Accounting
71305*	Auditing
71306*	Taxation
71331	Marketing Management
71332	Quality Management
71333	Strategic Human Resource Applications
71338	Managing Change
71340	Strategic Management
71342	Strategic Human Resource Development

Bachelor of Business (Marketing):

71203	Business Ethics
71245	Organisational Behaviour
Plus the four courses listed below:	
71331	Marketing Management
71343	Marketing Research
71344	Digital Marketing
71345	Special Topics in Marketing

If you have not completed 541 Fundamentals of Marketing, 632 Operations Management, 644 Buyer Behaviour and Communication Strategy under the New Zealand Diploma in Business you need to complete the relevant Bachelor of Business course.

Next steps:

We will review your application and be in touch to let you know the next steps. Once your application for admission has been accepted, you can enrol in the Bachelor of Business with Advanced Standing.

You will have five years to complete a single major and six years to complete a double major from the date of your first enrolment in the programme.

We're here to help:
