

New Zealand Diploma in Business (Level 5) NZ2459

It is a good idea to plan your study programme before you start. To work out what courses you need to complete for your diploma, use the study plan below. You can check course availability and prerequisites on the qualification page on our website. This programme has two strands, Leadership and Management, and Accounting.

After you complete the three compulsory courses, you need to decide which strand you want to specialise in. You then need to complete all three courses from your chosen strand to gain the qualification. If you need help or have any questions, contact us.
